SATURDAY, JULY 30

IMPORTANT - READ THIS

As you know, team space in Gym City and the Racquetball Courts is assigned based on the number of swimmers teams bring to Champs. In the past, teams were assigned a space based on the total number of swimmers for the entire meet. This year, space is assigned based on the number of swimmers you are bringing each day. This means that you may not be in the same space on both days. For example, last year Mechanicsville brought 8 swimmers on Saturday and was assigned one of the smaller spaces. On Sunday, Mechanicsville brought 32 swimmers. Therefore, they needed a larger space on Sunday. Hence, Mechanicsville was moved.

The team spaces in the gym will be **numbered** instead of displaying a team name. Find your space and corresponding number on the diagram and then find that number in the gym.

Gym City team locations will be posted on the GRAL web site the Monday following registration. It is suggested that you pass the number location for your team on to your families. In addition to this, there will be a large diagram on display in the lobby that indicates the team space assignments each day. Make sure you check your assignment both days and do not automatically return to the previous day's space.

Racquetball Courts- The teams assigned to the racquetball courts are reminded that **they must bring a tarp or other floor covering** to help protect the floors. No chairs will be allowed without a tarp.
