You are going to enter the names of the people who trained below. If you had a S&T judge on his/her final walk, the trainee's name should go in the section above and the experienced shadow should go below. Make sure to check that button.

By entering my name below, I certify that this form is correct to the best of my knowleged. GRAL recommends the Referee complete this form rather than the Computer Rep because the Referee is the most knowledgable regarding this information and it is his/her responsibility.
